About HBI

Healthy Buildings International (HBI) are worldwide leaders in Indoor Environmental Consultancy, specialising in delivering Health, Safety and Environmental compliance solutions to a wide range of organisations across the UK & Europe. We have a prestigious client base and our work often takes us through highly varied and impressive building portfolios.

Our core consultancy services are incredibly diverse and range from Indoor Air and Water Quality Surveying, Legionella Risk Management, Fire Risk Assessment, to Occupational Hygiene, Asbestos Management Solutions and Environmental Services. Please visit www.hbi.co.uk to view further details of the consultancy services we provide.

Graduate Environmental Consultant Role

We are looking to recruit a dedicated Graduate Environmental Consultant who will be based from our office near Reading. This exciting opportunity is hugely varied and a unique chance to develop your consultancy expertise in the Health and Safety Compliance sector.

As a trainee, we will provide you with all of the training you need, both in-house and via external qualifications & CPD- essential in our legislative-driven marketplace. There may be opportunities to specialise in specific areas of the business over time but the role will primarily focus on developing your skills to succeed as a Consultant in the disciplines below:

- Indoor Air Quality (IAQ) Inspections
- Legionella Risk Assessment and Management
- Fire Risk Assessment & Fire Safety
- Asbestos Surveys and Asbestos Management
- Water Quality and Water Treatment

In addition, you will be actively involved in the following important areas of our business:

- Scientific report writing
- Technical client account management & liaison
- Upkeep and calibration of field surveying equipment
- Developing knowledge and skills using our online compliance & reporting system

Experience Required

Applicants must have a full driving licence as the role can involve a considerable amount of field-based travel. Experience in a Scientific, Engineering or Health and Safety-related discipline is desirable but not essential. You will need excellent Interpersonal & IT Skills and be a great communicator to succeed in this role.

Why Join HBI?

Enjoy the benefits of working in a flexible, diverse and friendly consultancy, in a cutting edge and fast moving industry. All field-based staff are provided with a company vehicle (for work & private use), full travel expenses, 28 days holiday per year (inc. Bank Holidays). An Optional Pension scheme and Private Health Insurance are also available. We also offer regular progress and career reviews as well as on-going CPD investment and opportunities to all staff. HBI are Equal Opportunities Employers.

How To Apply

To apply, please send a covering letter and a copy of your CV, including references, to: **Claire Vitel** at cvitel@hbi.co.uk, or alternatively in writing to: **Healthy Buildings International, Parkside, Spencers Wood, Berks RG7 1AE.**
